### CARE for Children Mission

The purpose of the CARE for Children project is to help congregations create a welcoming space for <u>all</u> children to naturally explore their curiosity about God. The CARE for Children mission is put into action through four principles.

#### CREATI VI TY

to allow children to engage multisensory expressions of praise to God

#### AFFI RMATI ON

to help children
build assurance in
the promises of God

#### REPRESENTATI ON

to make sure children see themselves as created in the image of God

#### EXPERI ENCES

to help children recognize the presence of God
